

Event Guidelines during COVID19 - Autoslalom 2022

Vinland Motorsport Inc. (VMI) is pleased to announce the commencement of 2022 autoslalom events effective May 29, 2022, as per Newfoundland and Labrador COVID - 19 guidelines.

This guide has been prepared for all club members and participants in VMI events and activities during this period. VMI encourages all involved be pro-active in employing the behaviors and protocols as defined by public health and governing authorities.

Notice to Participants: VMI will make every attempt to minimize the risks of COVID-19 exposure. Ultimately, it is your responsibility to assess the risk to you, both on-track and off, and to make the decision on whether or not to participate.

If you are feeling unwell or experiencing symptoms such as fever, cough, or shortness of breath, please do not attend any public events such as an autoslalom event and follow the provincial self-assessment tool as required.

If you have been in contact with someone who has been experiencing these symptoms in the last two weeks, please follow the provincial self-assessment tool as required.

During VMI events, please take the health and safety of your fellow participants and club volunteers into consideration and utilize best practices.

Revised: 09-April-2022

General Guidelines:

- Follow federal, provincial and municipal guidelines in relation to COVID-19.

- Participants are encouraged to wear masks or face coverings.

- Use disinfection wipes or spray to sanitize equipment, supplies, and shared areas between uses.

- Event will be closed to spectators. Spectators will not be allowed within course or vehicle paddock area.

- Maintain proper social distancing protocols of 2 metres (6 feet). This includes refraining from physical contact such as hugs, handshakes and high-fives.

- PPE supplies such as hand sanitizer and disposal gloves will be available.

- All participants must have their own helmet.

- VMI tech inspectors will wear appropriate PPE including face masks and disposal gloves while performing vehicle tech inspections if recommended by provincial guidelines at the time of the event.

Autoslalom Guidelines:

VMI 2022 autoslalom season will require both staff, volunteers and participants to be vigilant and engaged in adapting to new practices and procedures developed by the club executive directors.

Attendance:

Under current provincial guidelines registration is **open to the public.**

Pre-registration is **required** for the VMI 2022 autoslalom season and the COVID-19 questionnaire questions must be answered truthfully to the best of the applicant's knowledge.

Please contact autoslalom@vinland.ca for direction if the directions below are not clear.

Helmet:

All participants in VMI 2022 autoslalom season will be required to provide their own helmet adhering to one of the following standards: FIA 8860-2010; FIA 8859-2015; Snell 2015 SA or 2015 M; Snell 2010 SA - 2010 SAH or 2010 M; SFI Foundation 31.1/2015; SFI Foundation 31.1/2010, ECE R22.05/ECE 22.05

ECE helmets are not acceptable for roll caged vehicles

Payment:

All financial transactions for VMI 2022 season will be through Eventbrite ticketing platform.

No cash will be handled by VMI going forward.

Member Registration:

Membership form is available through Eventbrite ticketing platform.

Single Membership fee - \$40.00 (plus service fee)

Family Membership fee - \$60.00 (plus service fee)

Event Registration:

Event pre-registration invites will be emailed to VMI club members via autoslalom@vinland.ca approximately one week before the event is scheduled. Note that the electronic waiver MUST be completed by ALL entrants prior to attending the event and undergoing tech inspection.

Please note your first event on Bell Island is free.

Club member fee - \$20.00 (plus service fee)

Day member fee - \$30.00 (plus service fee)

Tech Inspection:

Participants will be required to respond to a questionnaire regarding information and modifications performed on the vehicle they chose to use, indicating:

- 1) Year/Make/Model/Trim

- 2) Vehicle modifications

VMI course directors will inspect vehicle for classification group and modifications when performing technical inspections.

A participant will be notified if any issues occur with tech inspection. Please note VMI tech inspector has the right to refuse any vehicle from participating in autoslalom events.

Drivers:

Participants will not be permitted any passengers unless passenger is within immediate bubble.

Co-driving a vehicle will not be permitted unless each driver is within immediate bubble.

Autoslalom Event:

Participants will arrive at Portugal Cove ferry terminal on the morning of the scheduled event as specified by VMI. A link to the Bell Island ferry fees can be found at the end of this document.

Once on Bell Island, please proceed to the Bell Island Airport in a respectable manner. Please adhere to all road signs and posted speed limits.

VMI expects all event participants to be active in course setup, removal, and safety marshalling. All participants will be required to attend the pre-event drivers meeting and course walk.

Autoslalom points events will consist of four timed runs and additional fun runs if available at end of day. A paper copy of the course map will be provided to participants at the event.

Fastest rookie participant will be presented a rookie-of-the-day certificate by VMI executive.

Points will be awarded following this structure: 1st place (9 points), 2nd place (6 points), 3rd place (4 points), 4th place (3 points), 5th place (1 point)

Event results will be communicated via club website and social media pages.
